Mountaineers To Face Babbitt On Field Here Sunday

Locals Take Free Hitting Game From Verdi On Sunday

The Truckee Mountaineers by defeating the Verdi team Sunday 16 to 10, while Babbitt lost to the Desert Admirals, hold the undisputed second place in the Sierra Nevada baseball league.

This coming Sunday, the Truckee team will host Babbitt here Sunday afternoon at 2:15 in a decisive game.

Manager Al Wakefield said that the Truckee infield didn't look too good Sunday, letting down for the first time this season as ten errors were chalked up against the locals in the Verdl contest. Verdi goofed five times.

Truckee scored 22 hits in the free for all, while Verdi banged out 11 hits off Ernie Pello. Louis Goicoa was not in the local lineup Sunday. Otis Cluck led his teammates with three hits, while Ray Bell, L. J. Robinson, Bob Oates, Roy Stone and Pitcher Pelloi each got two. No one went hitless. The only double play in the game was scored by Verdi.

Truckee left 11 on base and Verdi 9. Pello struck out 4 and walked 4.

The short score:

	R	H	E
Truckee	16	22	10
Verdi	10	11	5

Pello and Stone; Fontana, Leonard and Galli.

Speed Blamed As Bay Driver Killed

Ernest Baker, 32, of Richmond, Contra Costa County, died early Saturday when, highway patrolmen said, his eastbound car attempted to pass a truck and semi trailer combination on a blind curve at Rainbow, Placer County, near Cisco, and slammed headon into a westbound Greyhound bus.

His passenger, Richard C. Little, 18, who patrolmen said had been drinking and refused to give an address, suffered minor injuries and was taken to the Tahoe-Truckee Hospital.

The impact shoved Baker's car back into the truck and semi trailer driven by Charles Haskett, 27, of Norfolk, Va., who was hurt slightly.

None of the passengers on the bus, driven by Joseph W. Echles, 52, of Reno, Nev., was hurt.

The highway patrol reported several motorists arriving at the crash scene said Baker had passed them on blind curves at speeds ranging from 60 to 80 miles an hour.

LOCAL GIRL INJURED IN HORSE ACCIDENT

Sandy, 15 year old daughter of Mr. and Mrs. Lloyd Van Sickle is reovering at home from a skull fracture snstained a week ago on Wednesday when the girl was attempting to return horses to their corral.

The accident occurred near the Van Sickle home and it is not known whether a horse fell on or kicked the victim in the head. She was rushed to the Tahoe Forest Hospital, returning home on Saturday.

Governing Board Of College To Hold Meet

AUBURN — The governing board of Sierra College will be re-organized for the fiscal year 1958-59 on July 1 at 8 P.M. at a meeting in the college administrative offices.

There will be no new members, but Harold Welch of Truckee is scheduled to be sworn in for a new three year term, to which he was elected in May. He has just completed one year on the board.

Current officers are Willard Dietrich of Roseville, president, and William O. Francis of Auburn, Clerk.

TITUS FAMILY GATHERING

Mrs. Frank Titus has as her guests for two weeks her son, Jack Titus and his son and daughter, Don and Linda, all of San Rafael. Dr. and Mrs. A. A. Cozzalio and Mr. and Mrs. Frank Titus of Reno will also visit here for a family reunion.

Tahoe Chamber Official Now On Staff For Olympics

Bill Bien, director of public relations for the Lake Tahoe-Sierra Chamber of Commerce, has joined the staff of the VIII Olympic Winter Games Organizing Committee as assistant Housing Director, President Prentis C. Hale announced Monday.

Bien, 50, will aid Housing Director Louis P. Spitz in arranging accomodations for Olympic officials, members of the press and employees near the games site at Squaw Valley.

The Winter Olympics will be held from February 18 through 28, 1960.

Bien is on leave of absence from his chamber of commerce post. He will continue to reside at Tahoe Vista, on the north shore of Lake Tahoe.

For many years Bien was a resort publicist in Wisconsin, Minnesota, Ohio and Florida. From 1923 to 1935 he did promotion work for the National Air Races at Cleveland.

DEMOTION PROGRAM MONDAY FOR ROTARY

Dick Swanson will be demoted as president of the Truckee Roary Club at ceremonies to be held Monday night at Donner Lake Lodge. His successor is Carroll Maynard who will govern the club's destinies during the coming year. Charles Osburn, a past president, will officiate at Monday's rites.

A program is being planned and the ladies are invited to attend.

At last Monday's meeting, James Sherritt gave a resume of his visit to the convention of Rotary Inter national at Dallas, Texas and his talk was interesting and well received. Dick Swanson presided.

DONNER TAKES PART IN PARADE AT RENO

The Desert Boat Club's parade of boats in downtown Reno Saturday included one surprise entry—the Donner Lake Volunteer Fire Department's entry advertising the outboard races at Donner Lake Sunday, July 13, and the accompanying events scheduled for July 12.

The float and car was provided by Les Rasmussen with Harry Smith as the driver. Atop the entry were six Donner beauties, Misses Sharon Tremayne, Alice Lander, Judy Collins, Luisa Sciutto, Barbara Nelson and Mary Pratt.

Dr. Robert Affeldt, president of the department, accompanied the float which had a prominent place in the parade.

Listed are Nelda Stone and Mrs. Sonja Schmidt.

SUMMER SCHEDULE FOR MASS STARTED

Father P. J. O'Niell has announced that the summer mass schedule has been advanced one week end and will commence on June 29.

During the summer months mass will be at Truckee 8 and 10 a.m.; Tahoe City Corpus Christi Church 8, 9:30 and all a.m. and at Our Lady of the Lake Church, Kings Beach 8, 10 and 11 a.m. each Sunday.

Motel and hotel owners are asked to note these hours for the convenience of their patrons.

Dr. Joseph Jarrett, 42, of Auburn, was taken to the Tahoe Forest Hospital early Saturday morning after his car ran off Highway 40 on Donner grade. His injuries were not serious. Dr. Jarrett was cited for speeding and not having his vehicle under control.

Chamber To Take Up Incorporation During Next Meet

Housing Situation Causes Chamber To Seek Regulation

Housing conditions, especially as they concern the use of undesirable structures, have prompted the Truckee Chamber of Commerce to intensify its study of the feasibility of incorporation so that regulatory measures may be applied.

N. F. Dolley, chamber president, who presided at yesterday's meeting of the directors, said petitions now prepared, will soon be circulated for signatures and that during the coming month a concerted study will be made.

A speaker will be secured for a meeting of the public late in July, Dolley said, to answer questions and go into details of the incorporation proposal.

There will be no meeting of the chamber next Wednesday but on the second Wednesday in July a director's meeting will be held at Ramshead Restaurant.

Routine discussions of local problems featured yesterday's meeting.

Insurance Agent Joins Local Staff

Tom Hoffman of Sacramento, for the past eight years, special agent and manager of the Sacramento office of the National Union Insurance Companies, has arrived to affiliate with C. Z. Smith. The newcomer will work out of the Truckee office but will concentrate on service to Lake Tahoe area.

Hoffman, a graduate of the University of Southern California, where he majored in advertising and earned his B. S. Degree, is married and the father of five small children. Mrs. Hoffman and the children will come to the area as soon as accomodations can be secured.

During the last war, Hoffman was in the air force for six years and for 40 months was a prisoner of the Japanese. He has frequently visited this area and was so impressed that he decided to make this his permanent home.

Hoffman will specialize in all types of insurance.

With Family—

Art Kehm, currently employed by the division of highways at Sacramento, spent the weekend here with his family.

SUNBEAMS

By WALTER M. BARRETT

An ordinance proposed by the Truckee Chamber of Commerce and approved by the area sanitarion should be given quick passage by the board of supervisors. This ordinance would place certain regulations on peddlers of food products and in many cases would completely eliminate the road-side businesses. In effect the proposal provides that a permit must be obtained to cost $90 per quarter, it would provide that toilet facilities, including a wash stand and running water be installed and that the property on which the business is located be paved to eliminate the nuisance caused by dust. The ordinance would also demand that the food offered for sale be protected from dust, rodents, insects and other animal contamination and that all food be kept on a vehicle. Proper garbage disposal facilities would be ordered. There is nothing prohibitive in the proposed ordinance and nothing which other merchants are not required to provide. We hope that the ordinance meets with the approval of the governing board.

We still believe that the one lasting solution to the many problems facing this growing community would be incorporation. The lack of adequate regulation on building, undesirable housing facilities and many other current uncontrollable situations could be nicely handled through city government. We are not urging incorporation, but simply pointing out an undisputable fact. What we do with our community is entirely up to the people who live here and want to make Truckee a good town in which to live, work and prosper.

SIGNAL HONORS ARE GIVEN LAKE VETS

CRYSTAL BAY — The National Foundation for Infantile Paralysis presented a "first" award ever given an organization to the VFW and Auxiliary of Lake Tahoe as sponsors of the 1958 March of Dimes.

The citation is for outstanding contributions received per capita nation-wide and for outstanding participation and activity. The citation was presented by State Commander Ben Winn at the 24th state convention of the VFW and Auxiliaries on June 14 at Tonopah, to Gene Faulkner, commander of the local post, and Thelma Liddle and Pearl Moore, Auxiliary delegates.

The citation will be framed and displayed at Crystal Bay Club.

Felte Chosen New Board President At School Meet

Improvements At Donner Under Study By Local School Board

Jack Felte of Kings Beach has been elected president of the Tahoe Truckee Unified School District board of directors, effective July 1. He will succeed Reginald Smart who has served in that capacity.

At the same time the board installed Mrs. Hilda Hintz as a new member of the board replacing Fred Pedley and Mrs. Hintz will be the clerk of the board starting July 1. She will serve a four year term on the board and the oath of office was administered by John Corbin, the district superintendent.

Herbert Obexer of Homewood will serve as vice-president of the board.

A delegation from Donner Summit comprising Max Williamson, Ken Knorr, Charles Mabae and Mrs. George Zorich, appeared before the board relative to improvements on the Donner Trail school. They asked that consideration be given an all-purpose room so that children can play indoors during stormy weather and that the road into the school be improved. It is also proposed to provide a blacktop area the size of a tennis court for a playground. Equipment will be installed prior to the opening of school.

Smart advised the board that the possibility of teaching the Donner pupils at the new Truckee elementary school is under consideration.

Corbin announced that arrangements have been made for the California Highway Patrol to utilize the school buildings during the time the Olympics will be staged at Squaw Valley. A charge of $9000 will be made.

Schools will be closed two weeks prior and two weeks following the games, the time to be made up later.

The Associated Oil Co. was awarded the contract to supply fuel oil for the year.

The board accepted the resignation of Mrs. Elaine Wright, nursery school teacher and Mrs. Rowena Cincotta, teacher at the high school.

Employed were Harvey E. Price, principal at the Kings Beach school and Mrs. Louretta Mills, kindergarten teacher at Kings Beach.

Miss Betty Saarni, fifth grade student, presented a petition, signed by 42 students requesting that the library be kept open during the summer months. Discussion followed but no decision was reached, but the library will be kept open pending further study of the matter.

A proposed $86,484 band and practice room for the high school was held in abeyance.

$35,000 PLEDGED BY PARISH FOR SEMINARY

The St. Pius X Seminary Fund campaign has reached a total of $2,733,153 to date representing 19,806 pledged contributions by Catholics throughout the Sacramento Diocese.

Father P. J. O'Neill, pastor of the local parish, reported that of the total raised thus far, this parish has contributed $35,000 and he expressed his thanks for the fine support given by local parishioners.

In announcing the latest total which will assure the building of a permanent junior seminary the Most Reverend Joseph T. McGucken stated the drive will continue until all prospects in all parishes have been contacted and given an opportunity to contribute.

The drive to raise a minimum of $2,500,000 for the building of a seminary and establishment of a fund to help educate future seminarians was kicked-off on May 25th when some 10,000 men throughout the diocese started making calls on all Catholic wage earners.

Plans Progress To Hold Boat Races Here On July 12-13

Barbecue, Dance Will Be Held July 12th At Donner Lake

Committees for the Donner Lake Volunteer Fire Department are rapidly completing plans for the ninth annual Donner Lake Outboard Regatta to be held at the west end of the lake Sunday, July 13.

Preceding the Sunday races a carnival will be held all day Saturday with a big barbecue from 4 to 7 p.m. in the evening and a dance at Donner Lake Lodge at 9:30 p.m. Saturday.

The races, which will attract many of the champions from all over the west will be conducted by the Northern California Outboard Association and the meet is sponsored by the American Power Boat Association.

The races are scheduled to start at 10 a.m. Sunday with 11 events programmed. The affair will end at 4 p.m. and the awards will be made in the evening at Donner Lake Lodge.

The barbecue Saturday evening is sponsored by the Ladies Auxiliary of the fire department with Mrs. Virginia O'Bear in charge, assisted by a committee of members. The advertising committee comprises Mrs. O'Bear, Mrs. Dorothy Slack and Mrs. Bonano with Dr. Robert Affeldt and Roy Tiel as coordinators.

The carnival and the concessions will be handled by Tom Bonano, Dan Horman and Mrs. Slack, while the construction of carnival booths will be handled by Dave Tremayne and Mr. Scruggs. The judges' stand and race course will be prepared by James (Hap) Warnke and the decorations by Dr. and Mrs. Affeldt. Cleanup and salvage will be handled by Scruggs and Creegan.

The affair usually attracts thousands of visitors and this year's attendance is expected to break all records.

Officials for the races were announced as follows: Henry Wagner, chairman; Al Hart, referee; Faye Beeman, timer; Sam Paul, starter; Virginia Paul, scorer; Cal Coltrin, measurer; Enrie Mello, pit manager; M. Redicali, announcer; Dr. Ben King, attending physician and Truckee Ambulance Service, ambulances.

New Freeway Near Colfax Is Opened

The division of highways announced this week that a 6.1 mile section of four-lane freeway on Highway U.S. 40 from Heather Glen to Colfax has been opened to traffic. The placing of this section in service provides a four-lane highway for the entire distance from Auburn to Colfax, a distance of 16 miles. The new section cost approximately $3,842,000.

Highway officials pointed out that although the project is not entirely completed, it is at the stage where it can be used with reasonable caution by the motoring public. Some contruction activity will be seen by the motorist as the contractors, McCamomn-Wunderlich Company and Wunderlich Construction Company of Palo Alto, complete the final phases of the project.

The Palo Alto firm began construction work on the route in November, 1956. The placing of this section in service at this time, well ahead of the schedule established at the start of construction, drew high praise from highway oficials.

The new section will be dedicated the afternoon of June 24 during ceremonies planned and conducted by the Colfax Chamber of Commerce.

Three other sections of freeway on this route are scheduled for completion this summer. One, a 3.6 mile section between Auburn and Newcastle, will be opened next week. An extension of the route opened today, that will extended eastward 5.8 miles from Colfax to Magra, is scheduled for completion in October. A 5.4 mile section east of the crest of the Sierra Nevada Mountains between Floriston and the Nevada State Line will be placed in service in August.

SUMMER CLASSES AT CHURCH SCHOOL END

Summer school courses at the Catholic Church come to a close this Sunday with the children receiving their first Holy Communion at 9:30 a.m. in Truckee. The school of religious instruction was conducted by the Dominican Sisters from San Rafael College with the help of priests and lay teachers who assisted with the program.

The children receiving their Holy Communion are Sherry Bechdolt, James Sergi, Thomas and Kathy North, Randy Hiatt, all of Lake Tahoe and Tommy Romo, George Franceschini, Barry Waters, Darlene Doolittle, Diane Silva of Truckee.

Father O'Niell expressed his appreciation for the assistance given during the classes.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Weather

It's beautiful! The golf tournament and shoot at gun club was a sell out and lots of celebrities from all over the country attended. Summer is here.

New Substation

A new substation of the Placer County sheriff's department will soon be a reality. This will consist of a court room, judge's chambers, jury box, offices, cells and everything that will make an up to date building. It will be situated at the old fish hatchery. There will be a good sized recreation park on the lake side of the building. all this according to our popular supervisor, Frank Paoli, who was a visitor in the area last week, and who also says lots of good roads are in the making. There is already a start being made in our Truckee Shortcut. We are really going to town these days, even Hiway 28 is being retopped along Kings Beach and on the Brockway Hill.

Nice Visit

Had wonderful visit from Mrs. Sarah Barnum, a friend for many years years, bringing with her, girls from Japan in the person of Miss Katsuko Knyo and Miss Matsako Naknayoshi of the Shrine Club Okinawa. These young ladies intend to do work for crippled there similar to that done on the U.S. Continent. Miss Matsaki Makayoshi and Miss Nakuko Knyo are graduate nurses taking special work for one year at the Crippled Children in Orthopedics at Shriners Hospital for crippled children in San Francisco. Mrs. Barnum lives at Kings Beach at different times during the summer. Mrs. Florence Blakely, Gray Lady volunteer and Mrs. Margaret Peck, director of hospital, were also with the group.

Operation

Nina Sorensen underwent a minor operation last week. We are glad to report that she is coming around splendidly.

In Office

I see Barbara Malloy is already in her real estate office in the building recently occupied by the Pacific Tele and Tele.

In Navy

I understand our young friend, Kenny Lavery, is entering the navy this weekend. Shall know what boat he will be on later. Good Luck Ken!

Talawanda Camp

The girls at Talawanda Camp in Kings Beach are back again. They are driven up and down the short-cut — quite familar to hear them singing at the top of their voices.

Business Meeting

Last Sunday evening, I saw a brilliant affair at the Cal-Neva Lodge, where dinner and meeting was held by the North Lake Tahoe Business Association. Around a hundred attended with President Thomas L. James presiding. It started off with a cocktail hour followed by a delicious buffet dinner. Lots of interesting news was heard about the Olympics. Wingy Grober presented the proceeds which might have been collected for the dinner to the club, making a nice talk with his usual humor. Big doings are expected to start real soon. Road signs are being raised at many points over the country side and is doing an enormous amount of good to the North Lake area. Watch for an announcement of the next meeting.

Hey Teens, Dig This!

Hey teen, come join the fun
This means you, each and every one;

Sayonara is the theme
So come join in and you'll be on the beam;

It starts at eight
So don't be late;

25 cents is the bite
June 27 is the night;

Methodist Church at Kings Beach is the place
Come and join us and set the pace.

MARTINS ANNOUNCE MARRIAGE OF SON

TAHOE CITY — Mr. and Mrs. Stanley Martin of Lovelock were in Tahoe City while Martin participated in the golf tournament and both visited with friends here.

They told of the marriage of their son, Stanley Jr., to Miss Barbara Lindgren, daughter of Mr. and Mrs. John Binyon on May 4 at Lovelock. A double ring ceremony in Grace Methodist Church was officiated over by Rev. Floyd Marker of Reno.

The bride was an honor student at Pershing County High School and was awarded a scholarship.

The Martins lived at Tahoe for 17 years and he was employed by the Sierra Pacific Power Company. Stan, Jr., attended the local schools and he is now employed by the company.

The A. J. Rodriques have returned from Auburn to stay indefinitely at the lake.

Janice Mandeville wrote from Kings Beach that they have moved back to the lake from Berkeley.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO (CNS) — The problems of finding summer jobs which will fit 'teen-age youngsters appears to be growing more acute all the time, with the result that some suggestions have been made to certain legislators looking toward a sweeping investigation of the laws and procedures that govern hiring of young people.

The attitude of many employers, who are asked for jobs by the vacationing 'teen-agers, especially those who have just turned sixteen, is that they do not wish to be bothered by the laws, rules and regulations in effect at the pres ent time. Consequently, these sources of employment are closed to the boys and girls.

In agriculture, the attitude is much the same. Fruit ranches which a couple of decades ago had no qualms about hiring young peo ple to help in the harvest now find that the laws, rules and regulations are to much to cope with, so there is little if any employment on the farms for the huskies who need muscular development.

Of course, not all sources of em ployment are closed to the young people. Some work is offered by the state in forest camps, some get into agriculture and others work as bag-boys in the grocery stores. But generally, the chances are slim in service stations and other hazardous occupations.

The dangers of failing to find employment for the many tousands of 'teen-agers, who want to work either to help at home or put away funds for their college educations, can readily be seen. The youngsters, having nothing to do, constitute a tremendous problem in the juvenile delinquency field.

The situation presents an ana chronism that is really unusual. The state on the one hand, spends many thousands of dollars to combat juvenile delinquency. On the other hand, the legislators apparently is making laws governing the hiring of minors so restrictive that employers are becoming fearful of putting a young per son on the payroll.

It is this situation which is interesting some legislators, who are anxious to find out just what the facts are in the case, and boil the matter down to where the two situations can be reconciled.

In other words, legislators wish to maintain protectism for young people against exploitation, and rightly so. But on the other hand. they do not wish to close the avenues of employment which could and should be available to people who want to work, regardless of the fact that they happen to be minors.

They undoubtedly will want some explanation as to why agriculturists are turning away from the employment of boys perfectly able to work during the harvest season. And investigation probably will show that the farmer has enough troubles on his hands without coping with the state's laws, rules and regulations and the bureaucratic inspectors who enforce the laws.

They must also want to know whether union rules and regulations have a lot to do with the increasing idleness on the part of the teen-agers, and in short, cover the entire field.

Sherman is from Grand Rapids, Michigan and is out for the summer with student missionary council.

Teen-Time will meet at the church at 6:45, and Friday evening leave for the Skylandia Camp Grounds to join the high school and college age young people for the evening.

The series of messages on the tabernacle will continue in the Sunday morning worship hour. Christain Cinema will feature "Formula for Failure" Sunday evening at 7 P.M.. This application from the parable of the dishonest steward is taken from the sixteenth chapter of Luke.

BIRTHS IN COUNTY EXCEED DEATH RATE

SACRAMENTO (CNS) — The number of births in California is increasing about four times as fast as the number of deaths, the state Department of Public Health records show.

There were nearly 17,0000 more births in 1957 than in 1956, but only about 4,000 more deaths.

In Nevada county, there were 312 births and 249 deaths during 1957, as compared to 341 births and 261 death in 1956.

During 1957, there were 350,025 births in the state, as compared to 333,146 in 1956, while the 124,-082 deaths in 1957 compared to 119,852 the year previous.

With a total population estimated at 14,160,000 in 1957, this meant the death rate was 8.8 per 1,000 population, while the birth rate was 24.5 per population.

In 1920, the death rate was 13.2 and the birth rate 18.9.

By law, California prodiuces only variety of cotton, Acala 4-42.

SIGNALS—Rendering signals clearly and in advance of the movement you intend to make is mandatory for maximum safety, advises the California State Automobile Association. Hand signals should be given in a manner that leaves no question as to your intention. Of course, you are responsible for proper functioning of mechanical signal devices. New law requires that turning signals be given during the last 100 feet traveled prior to turning.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

SUCCESSFUL MEETING

The Tahoe City Women's Club had a very successful meeting at the home of Mrs. E. H. LePire, president, on June 17th. The meeting was held to discuss finances and plans for the coming year.. Plans for the year include a major project "City Beautiful." This project will be worked out with the Boy Scouts of America whose theme for the year is "Keep America Beautiful." This project will be some permanent improvement to the Tahoe City Commons, to be announced at a later date.

It was proposed for financing our projects for this year, each member would earn $10.00 for her club with a project sanctioned by the board of directors.

A vote was taken to make Mrs. Stella Watson an honorary member since she has been an active charter member for 30 years. Mrs. Howard Guth, chairman for the clothing drive has made a call for all types of good clothing to be sent to Reno Veteran's Hospital and mental Hospital. Please bring your things to the Guth home or to the next meeting.

Mrs. Marshall Ruhkala, chairman of the membership committee announces that to date 5 new members have been added to the club. They include: Mrs. Charles Henrickson, Mrs. Charles Sherman, Mrs. Major Jones, Mrs. Kenneth Donn and Mrs. Gordon Moyor. The next meeting will be on July 10th at the home of Mrs. Robert Snyder, and will be a Patio Luncheon at 12:30 P.M. The officers of the Club and Mrs. A. A. Snyder will provide the luncheon and proceeds will go to the general fund as their project for the year. It will be a Fun Day for all members and guests. Cards will be sent at a later date.

LEARNING TO COOK

A group of Boy Scouts under the direction Ken Marvin are learning an art they can use forever. Each week they meet down on the Commons, each boy bringing his own food and utensils and then the Cooking lessons and fun begins. The boys are doing quite well and should be good cooks by the end of summer. A hint to all picnickers—take a look at how neat and clean these boys leave their camp sites—we could all take a lesson on this from the boys.

GUEST TIME

The summer season has begun and time for guests is here. Mrs. Ernest LePire was visited this past week by Ernest's niece and husband, Mr. and Mrs. Ralph Robarge, and their 2 sons. Also dropping in for a short visit were Mr. and Mrs. Joe Leibres of Oakdale, Calif. and Mr. Bill Rosha from Lafayette, Calif. Beautiful scenery and pleasant weather were enjoyed by all.

DISTRICT MEETING

A district meeting of the Federation of Women's Clubs is being held this week. Representatives from the Tahoe City Women's Club attending a luncheon on Tuesday, June 23rd at the Donner Lake Lodge, were: President, Mrs. Ernest LePire, Mrs. Steve Korich, Mrs. A. A. Snyder and Mrs. Gordon Brown.

CHAMPAGNE FASHION SHOW

Many of the ladies in the North Tahoe area enjoyed a champagne fashion show at the new Riviera shop in the Tahoe Tavern. Models for the occasion were: Alberta Nelson and Marian Turner of Truckee, Winnefred Hubbard, Pat Gunkel, Myrtle Carnell of Tahoe City and Jane Tuma of Bijou, modeling in a gay pink harlequin setting.

Tahoe Items

The Clark Burnham, Jr., family has arrived from Piedmont to occupy their home at Tahoe City.

Mr. and Mrs. Milan Wright of Concord will spend two months at Camp Harvey West at Echo Lake, California.

Mrs. E. Lindenfeld of Fillmore wrote that she will be at Meeks Bay for the season.

At Donner Lake—

Mr. and Mrs. Tom Barbis of Oakland are spending the summer at their Donner Lake place and have had as their guests their son in law Mr. and Mrs. George Paras and their son, Jason of Sacramento.

STRICTLY STRICKLAND

By Bill Strickland

Donner Summit Post No. 811 of the American Legion held a special meeting for election of officers at Beacon Hill Lodge on Friday, June 20. Those elected for 1958-59 were:

Edward Coltrin, Commander; Milton Avila, 1st Vice Commander; Bil Strickland, 2nd Vice Commander; Edwin Aro, Adjutant and Finance Officer; Elmo Moriano, Service Officer; Bert Barber, Judge Advocate; Brad Board, Chaplain; Tony Donadio, Sgt. at Arms; Carl Widing, Historian.

Plans were initiated for the installation barbecue ii Aubust - date to be announced. It will be held on Beacon's rear terrace though with broiled steaks and all the trimmings — as always, it will serve as a big mid-summer get together for all the Mountain Top residents, their families and guests — the kids, especially, enjoy it because they are afforded a full day of swimming in Elmo's adjacent pool. Just hazarding a guess, I'd say the date will probably be Sunday, August 10th. So if you want a real day of pleasure and fun, be sure and set aside the day of Post No. 811's installation.

Have you ever come home fairly late at night to discover a trout swimming around on the floor? It happened! Returned from the Legion meeting and there it was. Number two son, Billy, had caught four beauties — brought them up from the river hooked through the gills and dumped them in the kitchen sink to clean. After working on one for a few minutes he looked into the other half of the sink and there was one of the remaining three swimming around as nonchalantly as you please. Nothing would do but what we fill a large container with water and keep it as a pet — another pet to go along with a parakeet, a java bird, a husky puppy and two white mice. Quite a menagerie. Said trout, however, didn't make it — it was still in the tub the next morning but downside up.

I don't know about the rest of the mountain dwellers but I've been watching a crew a nine saw men really making progress in clearing for the Soda Springs, Hampshire Rocks freeway — Bud Plant has his own crew and let me tell you, they're really notching their way throught the woods — 40 acres in two days in a growth so thick you had to cut your way through. Almost too heavily timbered to walk through. I've seen a lot of fallers, but I've never seen a crew as fast or efficient as this one.

Max and Jim at Wofford's Motel are rebulding and refinishing a large portion of their structure to provide a big recreation room with a bar and lounge. They'll cut an entrance facing the highway and will, by winter, be set to cater to the skiing crowd. A nice improvement for a popular place.

The bird people have returned to the Sugar Bowl for the umpteenth year. Of course, we mean the Audubon Society. They conduct several sessions each summer. It has turned into a very successful program as attest the maximum enrollment for each session and the return of all of them each year.

Our winter snow is gradually melting back, back, back and before long all of the color and beauty of this Mountain Top will burst through for all to see and enjoy. Heed the warnings and signs erected by the Forest Service and be especially careful with your campfires, cigarettes and picnic paraphenalia. This is or back yard you're wandering through, and we're just as proud of it as you are of your garden at home, so don't destroy it, by carelessness, — PLEASE!

STOP WATER WASTE

©AWWA

A stream of water 1/16 inch in size, running constantly, will waste about 20,000 gallons of water in a month. The combined water fixtures and appliances in use in the United States waste millions of gallons of water yearly, enough to put out hundreds of fires in industrial plants and homes from coast-to-coast. Therefore, use all the water you need, but need all you use. Then, TURN IT OFF.

BABY SITTERS MUST OBTAIN LICENSES STATE LAW SAYS

According to the California state law (welfare and institutions code Sections 1620 and 2300), any person caring for unrelated children or aged persons must be licensed. This law applies only when the child or aged person is in the home of the unrelated individual providing the care. Persons providing any care in their own homes for children (full time or day care) or aged without a license are subject to legal action.

The basic reason this law was enacted was and is for the protection of both children and aged who cannot live in their own homes. In each licensed home there has been a home study by the social worker of the county welfare department. This means that close attention has been given to the emotional qualifications of the applicants. In addition to this, the social worker has examined the physical set up of the home and believes there are no hazards for the child or aged person. References are contacted, and there has been tuberculosis and health clearance. All this means a safer and more adequate placement facility.

Parents or anyone needing to plan for either children or aged out of their homes should ask to see the operator's license. It will give information as to numbers and any restrictions on the care they can provide.

There are no charges or fees to obtain a license. Anyone interested in providing this service should contact the welfare department in their county of residence. A copy of the regulations may also be secured from Tom James in Tahoe Vista.

Each community should have facilities for the needed out-of-home care for both children and aged. Your county welfare department has been authorized by the state to provide this service and is ready to help in this community planning.

CHANGES IN BILL ARE URGED BY UTILITIES

SAN FRANCISCO — The California Public Utilities Commission today urged members of congress from this state to eliminate from the pending Smathers bill three sections which it charged would "make it impossible for state commissions to effectively protect even the most vital local interests."

The bill, now pending before congress, would amend the Interstate Commerce Act to give the Interstate Commerce Commission much greater power over intrastate operations of railroads.

The California commission, in letters to senators and congressmen signed by Commission Presiden Peter E. Mitchell, said that the Smathers bill, as now proposed, would "completely nullify the authority of the several states to regulate intrastate rates and service."

The commission added that "indispensible commute service could be abandoned, for example, without any public hearing. So could any other service or facility."

The California commission said it believes that legislation can be developed by which cooperation between federal and state regulatory agencies can be perfeceted. It declared that, particularly in California, "because of the vast area of the state and the consequent significance of transportation in its economic development, it is essential that state authorities should retain a measure of authority and responsibility."

A royal Spanish decree, August 16, 1775, established the capital of California at Monterey.

FIRE WEST OF HERE QUICKLY PUT OUT

The fire departments and forest service suppression crew were called to a point in the rear of the quarantine station Tuesday as an incipient fire, evidently carelessly started in the dry grass and brush threatened to get out of control. No damage was caused, but the blaze again brought ont the need for extreme care in handling fire in the district.

MANY ENTRIES IN VFW FISH CONTEST

KINGS BEACH — Harvey Martin, chairman for the VFW sponsored fish derby, is reminding youngsters that the derby will be held Monday, June 30.

Those entered in the various age groups are one through 11: Ronnie Baker, Tom North, George Day, Donnie Decker, Harvey Klietzke; 12 through 15: Parky Bechdolt, Don Bradley, Terry Henderson, Douglas Uhrig, all with very sizeable trout.

Some of the contestants have several fish entered with Ronnie Baker entering a fish each week since May 24. Gene Faulkner, VFW post commander, has expressed thanks for the cooperation and assistance given in the derby.

George Russell Munson, 50 years of age, of Stockton was found dead Monday in his trailer at Tahoma, apparently from a heart attack. His wife had left the previous day for their home and the body was shipped there by the Truckee Colonial Mortuary.

FATHER BRENNAN IS ROTARY SPEAKER

TAHOE CITY — Father Brennan, formerly of Truckee and now chaplain at Folsom Prison, was guest speaker at the June 17 dinner meeting of Tahoe City Rotary Club. With him and also a guest of the club, was Father Relihan, chaplain at DeWitt Hospital at Auburn.

Father Brennan talked on religion and psychophysics as applied in rehabilitation of inmates of the prison. He said that keeping men occupied is an important factor in rehabilitation and that the over crowded condition at the prison is not good for rehabilitation now being emphasized in all prisons.

With the 24 members lunching at Tahoe Inn were 10 visiting Rotarians. Furtherest from his homes was, Harold A. Peterson of Madison West Rotary Club, Madison, Wisconsin. Warren Porter presided.

Birthdates Observed By Several Local People

Several birth dates noted this week included Eugene Jr., who was feted June 22 on his birthdate, by his parents, Mr. and Mrs. Eugene Gini.

Daniel, young son of Mr. and Mrs. John Waller was the center of attention June 19, his natal date.

David Ashton's birth date was June 21 and Reg Smart observed his birth date with his family last Monday.

Firecrackers Out For This District

The discharge of fireworks in the National Forest has always been illegal and its enforcement will still be strictly enforced according to Roy Saarni, Truckee District Ranger.

In addition to this regulation the State of California has enacted new legislation under the Health & Safety Code which governs the sale, possession, discharge, display, or transportation of fireworks on private land.

Section 12600 of the Health & Safety Code states:

No person, without securing a permit shall do any of the following:

(a) Possess or sell any fireworks at wholesale or retail for any use.

b) Make a public display of fireworks.

(d) Transport fireworks, except as a public carrier.

The application to the local governing agency to do any of the above shall be made in writing at least 10 days prior to the use of the fireworks. This required written permit under this section should not be confused with the license that is granted by the State Fire Marshall to handle the fireworks.

The sale of fireworks of any description is prohibited except for the period from 12 noon June 28 to 12 noon July 6 of any year.

(12703 - Health & Safety Code)

Section 12755 requires written permission to discharge any fireworks in forest, fallow, grass or brush covered land. These permits will be issued with restictions within the town of Truckee. Permits for use of fireworks on land outside of Truckee will not be given due to the present extreme fire danger Saarni said.

The violation of any of the above rules is a misdemeanor punishable by a fine of not less than $500.00 nor more than $1,000.00 or by imprisonment in the county jail for not more than one year or by both such fine and imprisonment the ranger added.

Camping Opportunity Offered Girl Scouts

For registered Girl Scouts who will be fourteen years or older by next June, or who will have finished at least their first year of high school by then, there is a chance to compete for a ten-day camping opportunity for the summer of 1959.

A national encampment or "roundup" wil be held near Colorado Springs, Colorado, in July of 1959. Girls from every state in the Union and Hawaii and Alaska will be there — 7,500 in all — with almost 2,000 adults as well.

The Sierra Nevada Council, to which Truckee and other Nevada Girl Scouts belong, hopes to be allowed to send a patrol of eight girls to this encampment. The girls will be selected on the basis of Scouting skills ,talents and leadership. They will be given special training in preparation for the event, and all those who qualify for the competition will be given a special surprise, even if they are not among the lucky ones to go to the National Roundup.

Letters have been sent to all eligible girls notifying them that they must send in the preliminary application form by August first.

LEONARD CHANDA IS HONORED AT U. S. C.

TAHOE VISTA — Leonard H. Chanda, son of Mr. and Mrs. Henry J. Chanda of Tahoe Vista, was a candidate for the degree of Doctor of Dental Surgery at the 75th annual commencement Saturday, June 14, at the University of Southern Califoria, Alumni Memorial Park of the campus.

Awards for scholarship and professional excellence were won by three outstanding graduating senior. Chanda, one of the three, won the H. Gale Atwater Memorial Award plaque for proficiency in operative techniques.

Lewis Strauss, chairman of the Atomic Energy Commission, came from Washington to give the commencement address followed by a cap and gown processional of 3200 graduates and faculty across the campus. Of these 36 were young nurses of science in dental hygiene and 96 were senior doctors of dentistry.

Chanda was a resident of Kings Beach for nearly 10 years and then sold his home and business to go to Gardena to live and enter USC. He will teach this summer at the USC clinic and then continue his studies for another two years before specializing in surgery.

Lauren Russell will celebrate his birth date on Saturday and the couple will follow this on June 30 with an observance of their wedding date.

LAS VEGAS MEN WIN LAKE GOLF TOURNEY

CRYSTAL BAY — John Durniak and Ralph G. Smith of Las Vegas teamed for a three-day best-ball score of 177 here last weekend to win the 11th annual Lake Tahoe Invitational Best-Ball golf tournament. The team was two strokes better than sports writer Nelson Cullenward of the San Francisco Call-Bulletin and Marty Welsh of San Francisco, who came in the runner-up position with a 177 for three days of play on courses at Tahoe City, Brockway and Glenbrook.

Tournament director Peter Marich, host professional at Reno's Washoe County Golf Course, reported Mrs. O. Berensen and Mrs. C. Colohan of the Desert Inn Country Club in Las Vegas paired for the title in the women's division with a 54-hole card of 220.

Professional Larry Montes of Colma, Calif., won the special pro flight with a 202 that earned him $350 first place money. Runner-up amnoong the pros was Gary Loustalot of Redding with a 203 worth $250, followed in third by the tourney director, Peter Marich of Reno, with a 205 for $150.

Prizes were awarded Sunday evening at the annual post-tournament cocktail party at the North Shore Club here. Amateur winners collected such prizes as engraved silver ice buckets, pnch bowls, serving trays and cigaret lighters as the field of 519 golfers wound up the three-day action.

THE MAHARAJAH DID NOT SUSPECT JACKSON OF TREACHERY, AND SO AGREED TO SEARCH THE BUSH FOR THE RHINO HE HAD SHOT.

SOON JACKSON GRINNED, FOR HE HEARD SOUNDS OF A SCUFFLE, A SCREAM OF ANGUISH-- THEN SILENCE.

HE ADVANCED CAUTIOUSLY, APPREHENSIVELY-- UNTIL HE SAW A GRISLY SCENE OF DEATH!

"IT WORKED, IT WORKED! I'M RICH!" JACKSON SHOUTED IN GREEDY TRIUMPH.

ABRUPTLY, HOWEVER, TARZAN APPEARED. "THAT'S WHAT YOU THINK!" HE SNARLED. "YOU CAN'T CONVINCE ME THAT *THIS* WAS AN ACCIDENT!"

Dick Van Buren John Celardo

"SO WHAT?" JACKSON RETORTED. "NO ONE IS GOING TO KEEP ME FROM GETTING *MY* INHERITANCE--" 6-29-1425

"*NO ONE*--" INTERRUPTED A COOL AND BITTER VOICE, "EXCEPT *ME!*"
